REVIEWS

' A last minute decision made to send my great grandson to France for summer language school led me to Nacel. Giselle at Nacel has been a blessing. She assisted me through the process to make sure everything that needed to be done was done in time. I would recommend Nacel to anyone who is considering educational travel!'

'It was my 14-year-old daughter's first international trip alone. During the two weeks, she felt very welcome and safe at all times. The experience was extremely enriching, both personally and culturally. We definitely recommend this opportunity!'

'Marina had a wonderful time in Paris. She enjoyed every minute she spend there. She loved everything about the campus, the teachers, the girls at the school and specially all the friends she has made during the week she spent in Paris. Last day she was very sad in tears because she wanted to stay longer. Thank you to make her dream living in Paris come true.'

'Wonderful French camp in a lovely part of Paris. Very international. Super organisation pre departure and during the stay. The ability to have a pick up service for unaccompanied minors works very well: highly recommended. May send our younger son in 2 years.'
